Oakland, CA 94612

RE: Proposed Conservancy grant to MRCA to manage public beach accessways in Malibu.

Dear Chairman Bosco:

I am writing to encourage the Conservancy to authorize the proposed grant to the Mountains Recreation and Conservation Authority to manage public accessways in the City of Malibu. These access easements allow for the public to enjoy several of Malibu's most beautiful beaches. It is very important that these accessways be managed properly.

The MRCA is a joint powers entity dedicated to the preservation and management of local open space and parkland. MRCA has professional rangers and extensive experience managing parkland. In addition, the MRCA is responsible for the monitoring and management of numerous Coastal Commission required open space and public trail easements in the Santa Monica Mountains. MRCA is well qualified to manage these beach accessways and has a proven track record managing public trails and parklands.

Sincerely,

  
John Ainsworth  
Deputy Director

SUPERVISOR, THIRD DISTRICT

August 24, 2011

Mr. Doug Bosco, Chairman  
State Coastal Conservancy  
1330 Broadway, #1300  
Oakland, California 94612

Dear Chairman Bosco:

I am writing to encourage the Conservancy to authorize the proposed grant of \$20,000 to the Mountains Recreation and Conservation Authority to manage public accessways in the City of Malibu. These access easements allow for the public to enjoy Malibu's most beautiful beaches and it is very important that these accessways be managed properly.

The MRCA is a joint powers entity dedicated to the preservation and management of local open space and parkland. MRCA has professional rangers and extensive experience managing parkland. MRCA is well qualified to manage these beach accessways.

Sincerely,

**RE: Proposed Conservancy grant to MRCA to manage public beach access easements**

Dear Chairman Bosco:

I encourage the State Coastal Conservancy to authorize the proposed grant to the Mountains Recreation and Conservation Authority (MRCA) to manage public access easements in the City of Malibu. Malibu's beaches are heavily trafficked and crucial to any plan for public beach access. Therefore, it is vital that these access points be managed properly.

The MRCA is a joint powers entity dedicated to the preservation and management of local open space and parkland. It employs professional rangers and has extensive experience managing parkland. MRCA management would provide the reliable, top notch management services that the public deserves.

I have worked with the MRCA for many years, and have represented Malibu for more than 8 years in the CA State Legislature. It is my judgment that this grant to MRCA is necessary and well spent.

If you have any questions, please feel free to contact my District Director, Rebekah Rodriguez-Lynn, at (310) 314-5214. Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Fran Pavley".
